Associate Membership

A Partnership Based On:

***Commitment *Convenience *Value**

The electrical industry is a cohesive one because of the partnerships that have developed throughout the years between manufacturers, distributors, service providers and contractors. IEC strengthens that partnership by providing a strong system in which associates can network and show customers their support of an association designed specifically to help the open shop electrical contractor succeed in business.

ASSOCIATE MEMBERSHIP APPLICATION

FOR LOCAL CHAPTERS

The applicant for affiliation in IEC shall be a person or corporation who is interested in the electrical industry or who desires to encourage the work of this Association. Such a person or corporation is eligible to apply for a non-voting associate membership and shall be accepted upon approval of the Board of Directors. A membership granted will be continuous except in the event of termination by the member or at the will of the Board of Directors. At the time of termination, all dues shall be paid in full as of that date. An associate member is bound by the language of the Bylaws that pertains to associate membership. Such members will have the right to attend any and all meetings of the association or to send approved representation.
